Chf of Ordnance.

Richmond, Va.

Col.

First-Lieut. D. B. Dunbar of the Artillery, now on duty as Ordnance Officer, in Town of the Redoubt around Richmond, has written to me, stating that he desires to be ordered to Mobile. As First-Lieut. Dunbar was with me, as Gunner whilst in command of the Post at Jamesstown Island, and was an efficient Officer, his services would be extremely desirable to me here, having charge of the Defenses around the City, and would still more enable me to keep the works always in readiness for action. I would therefore be much obliged to you, if he could be ordered to report to the General Commanding at Mobile, for duty with me.

Respectfully.

Kindly

that an application for promotion of 1st Lt
D.B. Dumbear of the Artillery, stationed at
Mobile, Ala. and acts as my Adjutant
has never reached H^q 2nd, or at least so
I am informed. I would respectfully
ask his promotion. He acted as Quartermaster
at Jamestown Island, whilst I was in
command of that Post. then served as Lt of Ar-
tillery, and Ordnance Officer, upon the Richmond
Army, and was ordered to report to me, at Mobile, where
he served most efficiently as my Adjutant. He
richly deserves promotion, and I ask such, knowing
that his modesty will prevent him from making
any mention in the matter himself. I therefore
trust, that justice, and really a deserved com-
pliment will at once be given him.

Very Respectfully, Your Obedient Servant

We are in the midst of great excitement here -
- Fort Donelson surrendered - Gholson got back this
morning wounded. Nashville, I suppose, fallen,
and Gen Johnson falling back to Murfreesboro.
We have not the particulars yet - fear many
of our brave boys have fallen. Gholson was
shot through the side - the ball not entering
his chest. We hear through Dr Treadwell it
is not mortal.

Yesterday I was over at Athens &
addressed the people to get up volunteers.
I wish you were here as Brigadier.
- You could raise a Brigade sooner than
any one else. We need you at home
very much: having to be to arouse
& collect our boys. You would do it.
But you would show this to P. W.
Davis. Can a man in his 63rd years do
any good in the field? I am doing all I
can here - perhaps more than I could
elsewhere. Perhaps it be to Superintend
Hospitals. Can I do my Country any other
& greater good. Truly yours. R. S. Lane

Genl. R. Davis

Dear Sir,

The special object of this
note is to request you to obtain a position for
Dr. B. A. Duncan as Asst. Surgeon in some of our
Regiments being formed here. And also for
Charles Strong son of Genl. Strong.
You know Dr. Duncan as he was with you as
Asst. Surgeon at Bowling Green. He was very
popular & useful I am told, and I know him
to be worthy & competent, in every respect.
He was associated with Dr. Cunningham
who greatly desires to have him with him
again. Dr. D. is without a doubt a gallant Christian
and Southern to the core.

Charles Strong spent five years at the Ky
Military School & graduated with the highest
honors. He has now been serving nearly a
year as a private in the Potomac in the
11th Mass Regt. He deserves an Officer. He is
for the war.

PROCLAMATION.

EXECUTIVE OFFICE,
Jackson, November 21, 1861.

Whereas, the Legislature has, by an act approved this day, authorized and empowered me to receive and muster into the service of the State any number of volunteers, not exceeding 10,000, by companies or squads, or individuals offering themselves, with arms in their hands, to serve in defense of Columbus, Ky., or any other threatened position, for sixty days:

Now, therefore, by virtue of the power thus vested in me, I will receive any company, squad, or individual armed to me, armed and equipped: double-barreled shot-guns or hunting rifles will be considered efficient arms. It will be necessary for each volunteer to provide his clothing and blankets and cooking utensils of easy transportation, as provision of those articles cannot be made by the quartermaster of the State.

The places of rendezvous are Corinth and Grenada, where companies, battalions or regiments such volunteers as present themselves. Transportation will be furnished from the depots nearest the place of assembling to the rendezvous for all companies, squads, or individuals. The commanders of companies and squads are authorized to sign certificates showing the number of men and certificates will be received as evidence of the indebtedness of the State.

All volunteers should provide themselves with three days' rations, and if they cannot, put them in the hands of some able and serviceable man who will bring them to the aid of the State. Volunteers requested to be at places of rendezvous by Monday next, or as soon thereafter as possible.

Generals Reuben Davis and J. L. Alcorn will command the troops thus raised.

Hon^{ble} Secretary of War, Sir,

On the 22nd day of September, I recommended to the Department the appointment of Charles B. Duncan, A. L. M. of my Battalion of Cavalry, Genl Jenkins' Brigade. He has been acting as such for three months, and it has been with great difficulty that I have been able to get along, without a regular bonded Quartermaster. He is every way competent, and I urge upon you his appointment, hoping this may meet with your approval.

I most respectfully
forward to you my Third Quarterly
Return for the year 1863.

This return would have been submitted at an earlier date but for want of time. Owing to the incessant marching of this Brigade from day to day for several months past I have found it altogether impracticable to make out my reports sooner. I would therefore most respectfully ask your indulgence for a short period, when I will fully

adjust all the unsettled business
between the Confederate States and
myself.

I will be prepared to render up
my 4th Quarterly return for the year
1863 & my 1st 2^d returns for 1864
in a very short time.

MEMPHIS, TENN., Dec. 24, 1862.

General. Garner }
No. 127.

The General Commanding announces, with deep regret, the death of
Brig. Gen. J. E. PERRY, Chief of Staff. He died at Knoxville, Tenn.,
on the 16th inst., after a painful and protracted illness.

The Army and the Country will lament the loss of this distinguished
soldier, at a time of life when he might, with reason, have looked forward to
a long career of usefulness and honor. An educated officer of fine attain-
ments, he was among the first in this struggle to enter the service, and
was content with a subordinate position. By his zeal, efficiency, and gal-
lantry, he had so won the confidence of his government, and the admira-
tion of his associates in arms, as to attain a position second only in im-
portance to that of Commander-in-Chief of an army. His heroic de-
fence of the forts below New Orleans is known to all and his name has
gone down to history. Dead to his family and friends, he will still live in
the hearts of his countrymen, as among the brightest and bravest spirits
of the many who have given their lives to the holy cause of Freedom.

Relative to the Drain-
age of the Grand Marais

ENGINEER'S OFFICE, BOARD OF PUBLIC WORKS.

Baton Rouge, La., Sept. 13th 1860
Sir: To the Board of Public Works,

Gentlemen; Agreeably to your instructions, authorizing me to contract for the drainage of the Grand Marais, in the parish of St. Mary, provided the right of way could be secured, and that the work could be completed of the appropriation to that parish, I have acted as follows:—

On the 5th day of July last, I sent letters to all of the parties interested in the work, and to those proprietors of lands through which the drainage is to be effected, calling upon them to grant a free right of way, free of all expense and encumbrance to the state, and for the expropriation of so much of their lands as were necessary for the purpose.

In answer thereto, I have received the enclosed Notarial Act, duly signed and attested by all the proprietors of lands through which the canal is to pass.

Mr. Thomson, Asst. Eng. estimates the work at 175,355 Cubic yards, which at 25 cents per Cub. Yard amounts to \$43,838.75 — (less than

the appropriation for that parish, by
 \$1.161.00/100. Accordingly, I have ad-
 vertised the sale of the work for the 1st of
 Oct. next, and have instructed Mr. Thomson
 Asst. Eng., who is at work on that vicinity, to
 sell said contract agreeably to the attached
 advertisement.

Very Respectfully
 Yours Oct. Int.

Transmitting Report
of Mr. Thomson on the
Grand Marais

ENGINEER'S OFFICE, BOARD OF PUBLIC WORKS.

Baton Rouge, La., July 3^d 1860

Sir: To the Board of Public Works,

Gentlemen, Herewith enclosed, I have the honor to inclose the report of E. N. Thompson aptly, on the survey of the Grand Marais in the parish of St. Mary, under acts No 117 of 1858 and No 52 of 1860.

The difficulty of draining the Marais properly, is incurred from the fact that the best line for the draining canal, lies entirely upon the lands of individuals, who will not cede the right of way.

Mr. Sumner, Atty. Genl. informed me that even had the Act specified this particular work, and not for general draining purposes within that parish as the appropriation has been made, the State would still have no right to proceed with the work, without the voluntary or purchased cession of the lands to be expropriated.

Even upon the natural line of the drainage of the Marais, such conditions are imposed by the land holders, as will

make the expenses of the survey, and not
thereon, exceed the amount of the appropri-
ation.

In view of these facts, I have to sub-
mit the whole case to the Board, for its
action thereon.

Secy of War

Sir:

Enclosed are the official papers in virtue of which Capt George W. Duncan was assigned to duty as A. A. Gen'l with rank of Captain, in the Trans-Mississippi Dept. Capt Duncan's assignment was irregular, but he has faithfully discharged the duties of the position in good faith and efficiently and is an officer of peculiar merit as will fully appear by the papers herewith enclosed. He has just arrived at this city with important official communications from Brig Genl Marmonaduke in which it appears that brigades are in the field without regularly appointed or assigned A. A. G's. We therefore request that he be appointed as such and ordered to report to Brig Genl Marmonaduke who is now Comd'g division.

Capt Duncan has been paid to the 2^d June 1863 & we have to request that at least, he be authorized to receive his pay for the remainder of the time of his service.

Respectfully

John B. Clark

Res. referred to the A. S. General. A former endorsement as to the appointments of A. S. G. is remembered, but as this case pertains to the Proc. Miss. sign it is thought that ^{an} exception might be deemed judicious.

Col. Marmaduke is commanding a Division, and has a Division Staff. There is no staff yet appointed to his Brigade, and this fact might afford the vacancy here sought. Since has been serving as A. S. G. to that Brigade, now commanded by Col. R. M. Green.

Respy. sub: to the Secretary of War. This seems to be a hard case; the officer seems to have been serving with credit for a long time as A. S. G. without appointment & without pay & as there is a

vacancy of A. S. G. in the 1st Division rank of Capt. the question is presented whether he can receive the app't.

To Senator John H. Clark &c

the members of the Michigan delegation

Gentlemen

We would respectfully
recommend to you John Joseph H. Duncan
of Lewis Co. N.Y. for appointment in the
Michigan department with the rank of
Captain to be assigned to duty in the Mich.
Militia department

Mr Duncan has been in
the service since the beginning of the war
and has always borne himself with high
credit. He entered the Michigan State Guard
as a private and was promoted to be 2^d
Colonel serving until after the retreat from
Chancellorsville. He then served with Col Porter in
N.C. Michigan, and has until recently served
as A.A. Genl. in a Michigan Cavalry Brigade,
in which department he is thoroughly qual-
ified. He is a well educated gentleman,
gentle, industrious and in our opinion
especially deserving your favorable consid-
eration. His appointment would give general
satisfaction to the Michiganans here, we would
further state that there are several Michigan regts
without regularly appointed officers

I am reunited to your friends,
the owners of the within petition, & forward
it to you. In doing so, I beg to add my ap-
praisal of the opinions expressed by the peti-
tioners. I have known Mr. Dickinson well,
and think that the language of this peti-
tion is not equal to his merit. He has been
my debt Genl. In that position he was
entirely successful and won for himself
the good opinion of the men and the ap-
probation of his superior officers.

The removal of the government have
been so stingily bestowed upon Missourians
that I trust Mr. Dickinson's claims
will need no arguing.

To the Senators and Representatives in Congress

from Missouri:

Gentlemen:

We would most respectfully recommend Joseph H. Duncan of Lewis Co. Mo. for appointment in the U. S. Gravel Department with the rank of Captain.

Mr. Duncan has been in the Service since the beginning of the war, served as a private and was promoted to be Lieut. Col. in the Mo. State Guard and has since served as A. A. Gravel in the Confederate Service under Genls. Porter and Grimes. He is well educated, gallant, industrious, and every way qualified for the position he is recommended for.

We especially ask your favorable consideration for the reason that there are Missouri brigades which are not provided with regularly appointed A. A. Gravel.

Adopt however, rigid orders in both cases. Allow nothing to be taken out
 out authority from yourself. Prohibit in every way straggling. Take with
 you if practicable two pieces of artillery. Before marching, cause all arms &
 ammunition to be put in perfect condition. Upon the route, named, you deem
 it advisable to make slight detours. to attack bodies of Federal forces, &c. &c.
 keeping however, in mind the main object. Your two effective men, teams &c.
 are to be sent South of White River to some suitable camp near Batesville.

In reply to your noting
the date - attempt for reasons, why
no Inspection Reports have been
sent in for month - of August
by myself I have the honor to
state, 1st that the Sr A. A. General
of New York has captured and
being now a prisoner of war, &
has been discharging the duties of
that office in conjunction with
them of my own. It was thus
impracticable to make a critical
inspection of the troops - remain
arms - and so on the command.

has been in the trenches and in
line of battle since our arrival
at this point: and at times
when instructions may have
been made the troops were
moving from one position of
the line to the other - making
frequent instructions necessary
to the troops when the same ob-
ject might have been accom-
plished with less.

Report of Treatment of several
cases of Int. Fever with
Indigenous Remedies.

Res. Forwarded to Medical

Surgeon
In Chg. Hospital.

Howards Grove Hospital

Richmond March 30th 1865.

Sir:

I respectfully submit the following report of the treatment of several cases of Intermittent Fever by the use of Indigenous Remedies for the period of my assignment to the charge of this class of cases - In pursuance of your order, a suitable Ward was prepared especially for the admission and treatment of these cases, and every effort made to secure proper warmth and comfort during the cold and damp weather, by the use of screens, as suggested by the Medical Director. The supply of Indigenous Remedies furnished by the Medical Purveyor has been very scanty, and but very few cases of well marked Int. Fever have been received into the Ward - The efforts to test the efficacy of this class of Medicines in the cure of Int. Fever, are, therefore necessarily very limited. Of those suggested by the Medical Director, the Todd's Tea has been used, and the result given in the annexed report of the different cases -

Requisition was made upon the Medical Purveyor for the Extract of American Hemp, but has not been furnished - The result of the few cases reported is sufficiently favorable to warrant still further trial of this class of Medicines, and I respectfully suggest that an effort be made to procure a greater variety of them, than is at present on hand, among these may be mentioned Eupatorium. infoliatum, Spanish Willow, Pinckneya tuberosa, etc. previous experience has proved these very efficacious, and while not as highly esteemed as Quinine, are at least more easily obtained at this time, and less expensive to the Government. The Cases are respectfully reported as follows -

S. Dispensatory, and given in doses

of 3000 during 24 hours - 18 ounces during the 24 hours. On the 23rd March there was no return of the chill or fever, nor has there been since that time. Patient is convalescing, and now under no treatment.

Genl. A. R. Lorton, Q. M. Genl.
Richmond, Va.
General

In the month of July last I was assigned to the duties of collecting supplies in Southwestern Va and forage I am for the command of Major Genl. S. B. Preckwitt.

I have now to report that my duties have become so great and burdensome that I find it impossible to discharge the same without assistance.

I therefore would most respectfully request that you assign Capt W. C. Duncan, A. M. to me as an assistant. Capt D. has been stationed at Rockwell River Depot, but on account of the destruction of the railroad from Stanton to that point his service there can be dispensed with. Capt D. has been operating with me in the forage department of So. West Va under the order of Major G. M. McKim Chief Q. M. but I much prefer that the assignment should come direct from you.

Very respectfully,
J. C. Crossen

Dear Sir,

I have the honor to

acknowledge

your letter of the 18th inst. I was assigned to duty with the 1st Battalion of Infantry in 1861 having previously been on duty in South Western Va. — On leaving the South Western Department, I left unsettled some very important business. In December 1863 I obtained from my Comdg. Officers (approved by all of them) a leave of absence for the purpose of settling up the business alluded to. But in a few days was taken down with ill and so long confined to my room that I was unable to attend to the business for which the leave of absence had been obtained. Having just recovered from my illness and it being absolutely necessary that this business should be settled up before I can make my next Report for 1863 I would respectfully request a leave of absence for 20 (twenty) days for the purpose of attending to the same. I intend to return to duty at the expiration of the leave.

that my last Report for 1863 was
in the department. Since I have
been in the service I have been
in the commanding position. I have
not of what I have spoken.
My reason for making
the request is that I may
avoid the necessary delay
that would be occasioned by
my having to go to the U.S.A.
for the purpose of obtaining
the leave of absence through
the regular channels.

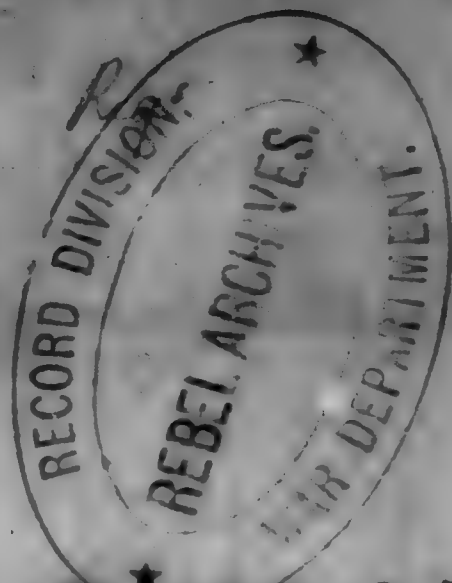

My absence would occasion
no detriment whatever to the service.
I am in command of the Command
where I am now on duty, assisted
by a Lieutenant who has been
in acting command of the
Command for 4 (four) months. He
is a very capable officer and the
Command is in the hands of a
very capable officer.

Trusting you may grant
my request.

Very Respectfully
Yours
W. E. Brown

Capt Duncan was
ordered to be restored
to the papers ref'd to
your office on the
13th inst.
By order of the
Sec. of War
Nov 19/13

Confederate States of America,
QUARTERMASTER GENERAL'S OFFICE,

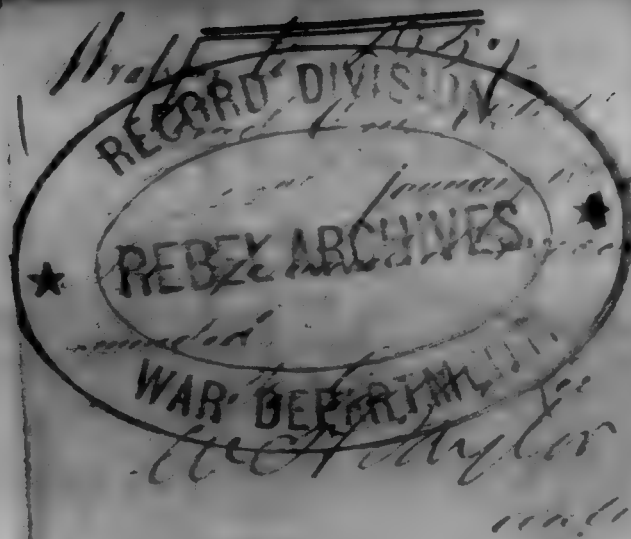

Richmond, Nov 14th 1863.

General:

On the 12th instant a letter was addressed from this Office to the Hon Secretary of War recommending that Capt W. E. Duncan a gen. be reinstated, and assigned to duty at the "Infantry Camp Cavalry Corps" commanded by Capt B. White, and on the 11th instant a communication was addressed to your Office requesting that Capt J. M. Goodman a gen. be ordered to report for duty with Catto's Battalion. Since the date above mentioned representations have been made to this Office in regard to the status of Capt Goodman's health, which in my opinion render it proper that he should be assigned to that position in which he will be subjected to the least exposure and strain. Therefore the honor to request that Capt W. E. Duncan be ordered to report for duty with Catto's Battalion & that Goodman be assigned to duty with the Infantry Camp commanded by Capt White.

Wm. A. Cooper
Adj't & Insp. Genl.

Yours Very Respectfully
J. M. F. Alexander

Artillery 3^d Army Corps having applied for
a certificate on which to ground an applica-
tion for an extension of leave of absence I
certify that I have carefully examined said
officer and find that in consequence of an
attack of Acute Hepatitis he is unable at this
time to resume his duties.

I moreover declare my opinion that said
officer will not be able to attend to his duties
in a ~~60~~ period that thirty (30) days. I therefore
recommend an extension of leave of absence for
that length of time, be granted.

General In reply to the letter of Major W. F. Alexander in relation to placing Major Hamilton on Post duty, I have the honor to report that I have assigned Major Hamilton temporarily to the duty of paying the troops on the Gulf Coast and supplying the posts extending from the mouth of the Suwannee River to Tampa Bay, until an officer can be either appointed or assigned to the duty of paying the troops in this District.

In consequence of Major Hamilton's feeble health he cannot, I think, do any duty involving exposure and fatigue in its performance and he is unwilling for this reason to take the post of either Captains Reid or Wood.

I have been twelve months trying to procure a Paymaster for this District. Three officers have been ordered to report to me for this duty but in consequence of the arduous character of the service I am yet without a Paymaster.

I have this day recommended for appointment as assistant Quartermaster, Samuel A. Swann Esq, a gentleman every way qualified for the position. He has been for several years in the employment of Col Cole, Chief of transportation, at Richmond, and myself. I would respectfully refer to Col C. for his character and qualifications. If this appointment

is made. Mr Swanwick can be assigned to the duties of Paymaster for this district, where the troops are so widely scattered that it will require the whole time of an officer to perform the duties properly.

It will be found toward economy to have a faithful and efficient officer to perform this duty. The troops are generally poor men who have been brought into the service under the different calls of the President, and have no means of supporting their families, other than their small pay. If this pay is withheld, their families suffer, and widespread discontent is the result.

I am, General

Sir, Three years ago this month I organized at Apalachicola, Fla. a Volunteer Co. of Light Artillery, & have been in the service of the Country ever since, as its Comdg Officer. — Circumstances have transpired during the last eight (8) months which make it almost imperative for a change of service, & while no consideration would induce my retirement from the Army, I desire you will present to the Secy of War my Application for the appointment of Quartermaster in the Provisional Army, & use your influence in my behalf, believing the transfer to that Dept. can be of no detriment to the public service. — Your usual attentions to my application will be duly appreciated.

fied to fill the position for which he is accom-
-mended. The Battalion now numbering near-
-ly five hundred (500) men has been laboring
under very great disadvantages ever since its or-
-ganization in May last, on account of not
having a regularly bonded and commissioned
Quarter Master. I sincerely hope that as the
necessity is pressing and the matter of vital
importance to the Battalion, that the position
will be filled as soon as possible by the gentle-
-man whom I cordially recommend above -
I have the honor to be, Sir,

Very Respectfully
Your Obedt. Servant -

General Beauregard,
Sir,

I have the honor

the horses as in Captain Collins
Battery - the ammunition is not
in very good condition. This comes
from the fact that the guns are
mounted so low, that it has to
be removed in crossing streams
and is often replaced in
wetted. I have given instructions
that this be done with care
Captain Proctor Battery is
very fine. Considerable the officers
and men. Very many are proficient
in all their duties. Much credit
is taken in the instruction of the
men and the horse. With well
thought I have noted some minor
propaganda outside Battery are
the regular care. I have
found that the ammunition, Capt
Collins requires and also in the
regiment as to the same.

[The page contains several lines of extremely faint, illegible handwriting.]

Remarks

It will be seen
that Captain Collins
has on hand more
than 200 rounds of
ammunition for
each gun - while
Captain Pratt felt
rather short of
the ammunition.
The Hospital robes
found had one
almost finished.
I have directed
the quartermasters of
batteries to make
immediate requi-
sitions for the
articles required
on their respective
ordnance officers
of Brigades -
Captain ^{Collins} requires a
battery forge - This
is absolutely neces-
sary and one
could be fitted
up by the S. M.

Brig Gen Jordan, Chief of Staff, Sir,

A few days before the battle of Shiloh, I called to see you, in reference to being assigned to the command of a light battery; you concurred with me in making the application, which I did, as you suggested, to Gen Beauregard; to this time, I have heard nothing from it, and as I am very anxious, indeed, to have a battery, if it can be made consistent with the new organization of the army, will you do the great favor of calling attention to my application?

Very respectfully

Major.

I have the honor to make the following report of the Artillery of ^{this} Division for last week. Manifest improvement is shown in the condition of the horses, and the grazing now is fine. I visited Washington to consult with Major Thomas, Manufacturing Q.M. He is able to fill all requisitions on him for material and articles required. Captain Brown Q.M. at Louisville is constructing harness, bridles, saddles &c very rapidly to fill requisitions of him for the batteries. Twenty fine horses are much needed, and should if possible be supplied at the earliest moment. I do not require the field drill, in consequence of the want of harness, and preferring to recruit the horses.

Respectfully submitted.

Persuant to Special Orders No 58.
Head Quarters Prices Division, Camp Sumter 27 March 1864.
I have the honor to make the following report.
After visiting several points represented to
be available for the purpose of parking the
Artillery of this command, I have not found
any that will answer the purpose in
regard to forage, the scarcity of cane on this
side Red river and the fact that it has
been deadened by the frost, destroys it
from being available. The only place this
side the river is at the "cut-off" distant
Twenty two miles, and on the other side the
Artillery would have to be carried almost as
far, in making the selection I have en-
deavored to gain all information as to
obtaining fodder, thirty miles is the
shortest distance indicated, and there
only a limited supply. Ground for drill
can be had some three miles from H. & S.,
but in other respects will not suit.
Grass in abundance, or in a short time should
this weather continue, would be so, is available
near each of the batteries, where the horses
are herded daily, with the exception of
"Ruffners," I would suggest that his horse

be herded with the Brigade Quartermaster's Train at or near the "cut off", they will there have grass.

The horses of "Lisner's Battery" are furnished with fodder all the time and are improving very rapidly, they run in a large lot, on which they graze. I think it would be injurious to remove them.

The horses of "Etters Battery" have only a limited quantity of fodder, but this morning a train of four waggon's started to get more, which will be sufficient for twenty days. They also have grass.

Capt Marshall also herds his horses and with the little fodder given them do much better than for some time.

Each of the Brigade Quartermasters say they can keep the horses supplied with fodder, though not full rations: most of which is hauled a distance of thirty to seventy miles: from the investigations made I think it would be preferable for the Batteries to remain with their Brigades.

Convenient to each of the Batteries, except Marshall's there are fine drill grounds. I have inspected each of the Batteries the last week in person, and have made, or am preparing full requisitions for all articles necessary for the command.

According to the instructions of the County
General, I have ordered three harness
makers to report to Capt. M. J. Brown of M.
at Lewisville, to assist in forwarding
the work of filling requisitions made on
him, these men subject to recall when
their services are needed with their
respective companies.

Major.

I have the honor to make the following report of the condition of the Artillery of this Command. Each battery is drilled daily and are in a good state of discipline; the condition of the horses will not permit field drills. This results from the deficiency of forage furnished, especially of fodder which is so scarce as not to be obtained, could the horses be herded in the bottoms of Red river, there to feed on the cane and grass. Together with the corn given them, they would improve very rapidly, and fit them for service. in the present condition I do not consider them available.

Details could be made of one commissioned officer and a part of each company to attend them.

as was done at Camp Bragg; This
would answer without moving the
entire command of Artillery, the
men being now comfortably situated
in houses.

There is a great deficiency of saddles
bridles, halters, horseshoes &c.

This may be remedied by the
Q.M. at Lewisville and Washington.
There is now on hand at Lewisville
subject to the order of Major Brinker
twelve saddles, three dozen bridles,
five dozen brackets, one hundred
horse shoes and parts of harness.
The Q.M. there, informs me, that
he can furnish 18 saddles, 18
brackets and 300 horse shoes,
every week, besides doing all
wood work needed in the batteries.
The only hindrance to his giving
these things to me, is that he
is ordered by Maj Brinker to
send all the articles to him.
Could an order be given him or
Major Thomas for leather he
could outfit the entire command.

He also requires more saddlers, this
may be satisfied by sending him
the saddlers now in the batteries
until they have finished the
work on the horses &c.
but unless an order is given these
G. H. S. may from the District
Commander, they can do nothing
for me.

The Captains represent to me a
want of clothing for the men -
very respectfully

ADJUTANT AND INSPECTOR GENERAL'S OFFICE,
Richmond, December 10, 1862.

GENERAL ORDERS, }
No. 102.

The sentence of dismissal pronounced in Special Orders, No. 4, Head Quarters of the Department of Mississippi, Sept. 4, 1862, against 2d Lieutenant W. W. DUNLOP, C. S. A., and approved by Gen. BRAGG, is, by direction of the President, commuted, so as to require of Lieutenant DUNLOP a written apology to his Commanding General for the disrespect exhibited in the disobedience of orders complained of, and the language employed by him on that occasion.

The President is thus lenient towards Lieut. DUNLOP, in consideration of his youth and inexperience, and the pledges which he has given of amendment: but the conduct of this officer must be remarked on as both unbecoming in itself, and calculated to degrade his profession.

Upon making the required apology, Lieutenant DUNLOP will be restored to the service, and will report for duty to Gen. BRAGG.

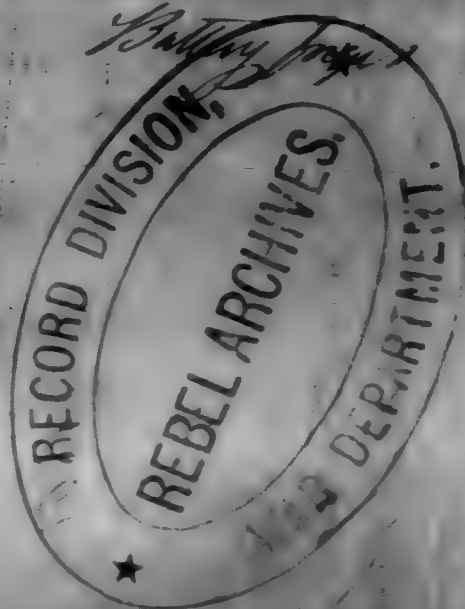

By order.

S. COOPER,
Adjutant and Inspector General.

Hon. Secretary of War.

Sir,

I have the honor to submit the following for your consideration.

After two years arduous service in the Army, I feel that it is only a justice to myself to apply for some increase of Provisional rank, attached to my regular rank as 2nd Lieut. U.S.

Cavalry, to date from March 16th 1861.

All of my class, & the graduating class of 1861 at the U.S. Military Academy,

~~have~~ have received such addition to their rank - and also many junior to my class. In the majority of these instances the promotion has not been regimental, but assigned to some General for duty in their particular Corps.

I have served with Maj Genl Buckner, Brig Genl Charles Clark and Maj Genl A. H. Hill in the Cavalry, also, a long

done in the ordnance department with General
Bragg. I request particularly that
Lieut. B. Butler be consulted, should
you feel any hesitancy in granting
my application for a commission
as Major in the Cavalry P. A. C. S. -
Upon examining the records you will
see that such rank has been given
all my class of the year (91-)

I have most cheerfully served for
this much of the war on my regular
rank, and heretofore have felt great
delicacy in making this my first
application, but feel that the
field of my usefulness would then
be enlarged; which the experience
of four years at the Military
Academy and in the army, has
fitted me to occupy -

Thanking you for my legitimate
corps and the one in which I
will be retained in the regular
army. I most respectfully request
that I may be ordered to report
to Maj. Genl. Wheeler or some other
General of Cavalry -

I am sir with much respect
Hon. Secretary of War Your obt. Servt -

I take great pleasure in stating that I have known Lieut Dunlap as an officer for more than twelve months and he has always borne the reputation of an active, energetic officer. I was in command of the 13th Ark Vols and in Lieut Clark's Division, at the time he served with Lieut Clark and I can testify to his skill and efficiency as an officer. His education, experience and efficiency as an officer, justly entitle him to promotion...

This Young Officer has reported to me for duty. He seems to be full of intelligence & I could use him to much greater advantage if he had more rank as an Active Officer.

Sir - I send you the
recommendation of Genls Anderson, How-
-elton, Fortin & Ex Gov Brown and
Harrison & Mr Bailey of the Military Board
for an appointment for my son in the
Confederate Army. I did not deem it
necessary to get other than military names
to it. Gov Harris has appointed him
since his return from Europe, Captain
of Artillery. He prefers a permanent
place in the Army, thinking that his pres-
ent position, perhaps, will be retained
while the state troops are in service.
However this may be, he prefers a
position in the Confederate army.

I hope you may feel justified
to give him a first Lieutenancy.

Explains delay of
accounts; & loss of
subsistence stores -

Jan, 27/63

City of Richmond December 8th 1862
Col L B Lockhart

I Sir I have withheld my
accounts for several months hoping to realize
something for stores lost on our retreat from Gloucester
Point Mathews in May last, but have accomplished
very little, some time before the Evacuation of Gloucester
Point other points in our section I was directed by
Genl B Meigs through Col Grump Commanding
at Gloucester Point also by Col Bohannon Commanding
in Mathews. I buy every Article of substance for the
Army that I could get, after buying to some extent I
suggested to Col Grump & Bohannon I thought it a risk
to have a large supply of provisions in the County of
Mathews in the event of both towns being evacuated.
being evacuated, they directed me to have the larger
portion of the stores transported to Gloucester Point
according to their request I had it done immediately
much loss was sustained in consequence of nothing
a sufficient time to load the stores, I had men detailed
to build a Commissary Store House, but before com-
pleting the House the Evacuation took place our
troops at this time were at 3 or 4 different points and
having to furnish them at the different points and having
my stores so divided the loss in getting them together was
considerable however every effort was made to save them

one day before the Evacuation of Gloucester Point
I received a dispatch to get as many of my stores to
Gloucester Pt. Horn as possible, Every Effort was
made ^{many} to get a good ^{many} as far as the Pt. Horn
but having to furnish men in the County of Mathews
Come. gunnars from a distance of from 30 to 40
Miles and at Gloucester Point a distance of 30 Miles
and several other Points it was impossible to save
all, had I of known the Evacuation would have
taken place so soon I could have saved ^{all} my
stores, large quantities of Basingo was left
at Gloucester Pt. Horn, for want of Transportation,
Every Dragon was employed but not enough to take
all the most of the stores left at Gloucester. Pt. Horn
were stolen or upon great excitement - Prevailed
expecting the Enemy Every moment Consequently no
guard left with the stores, some left on the road
from Gloucester to New Kent by descent some of the
drives stole the same at night and several Dragoon
were left on the road, on our arrival at Hanover
Pt. Horn I was directed by Col. Stump to ship
the most of the stores left to Richmond by rail road
which was done, no Public Property in my hands except
2 ^{per} Balances without - might I was not furnished
with one Cent's worth during the time I was acting
as Commissary Consequently nothing to return one for of the
Balances were left on the road for the other ^{part} in the City of Rich^{mond}

Very Respectfully Yours Wm. L. G. S.

I do hereby resign the appointment to

should have forwarded my resignation
earlier but for the fact that I thought
the statement of Col. Vance that I had
failed to give bond was sufficient.

I certify that I have carefully ex-

him incapable of performing the
duties of his office, because of
Chronic Diarrhoea, from which he
has been suffering for five or six
months, and which resists all
treatment in camp. In my opinion
he will not be fit for duty for some
time, and will recover much sooner
away from camp. I would there-

I beg leave to tender the resignation of my com-

object of my daylight service has been accomplished
in the field. I thus tender my resignation with great re-

Sir

Being well acquainted with the Country around Wakefield on the Norfolk & Petersburg Rail Road, we would respectfully suggest the importance of having a secret Agent at that point for the purpose of buying for the Government forage & provisions for the Army. A great deal of bacon and ~~forage~~ may be found in that Country which is subject to depredations from the enemy & unless soon obtained will be taken by them & lost to the Government. The agent could also purchase stock & provisions which the people of a large portion of Isle of Wight & even of Nansemond are anxious to sell & are unable to bring to Market in consequence of the presence of the enemy.

Should it be your pleasure to take the same view of the matter we would respectfully recommend Mr. Archer Dunn of Petersburg as peculiarly fit for such agency. He is honest, fearless, has an extensive acquaintance with the people of that Country and was at one time forage master of the Petersburg Cavalry.

Mr W. H. S. Taylor,

L^d And Treasr.

Richmond Va.

Dear Sirs.

I have been referred to you by Lt Col Larkin Smith Actg 2. Mr Genl in reference to pay due representatives of deceased soldiers of the late 1st Regiment Georgia Volunteers (Col Ramsey). The circumstances are these: The above Regt was mustered out of service at Augusta, on 15th March. I was then Quarter and Pay Master and was bound to pay them at that time, by Genl. Myers 2^d Lt General, in consequence of the suspension of the law, and because Congress had under advisement a substitute which would remedy many defects of the old. The heirs are scattered over the entire State and they are looking to me to collect the money for them. I wish you to advise me how I am to proceed to procure the funds. Send me the necessary blanks or one as a copy, and I will have them printed. I will obtain a power of attorney from each to draw his or her pay.

and then come on to Richmond if it becomes
necessary. for the funds.

If you have not the printed forms
have them arranged in blank. and
also annex a suitable power of attorney
and the printing can be done here
at my own expense.

Should you
not have the requisite papers. please
have the 2. Mr. Dept. to furnish them
to you or have them to forward to me
directly. and not subject me to the
inconvenience to have to write to Rich-
mond, after the Receipt of your letter,
for them.

Many of the claimants are poor and
the arrangements by the Gov. are necessary to
supply their daily wants. Hoping that
you will bear in mind that these persons
are the heirs of men who fell gallantly
defending our country and our rights. &
render every assistance that is in your
power. to place them in possession of what
is theirs. I remain your obedient servant

Yours Very Respectfully,

Wm. Andrew Dunn.

My dear Sir

I beg leave
respectfully to call your attention to the
enclosed letter from Genl. Douglass asking
that Mr. Davis be sent to Petersburg
may be placed upon his staff, and to
recommend Mr. Davis to your confi-
dence and favor in the strongest terms.
Mr. Davis is a gentleman of character
and position in Petersburg, and
served for twelve months with great
credit as a Lieut. of Cavalry, and he
is discharged upon the honor roll.
From what I know of him as a man,
and from what I have heard of him as
a soldier, I feel great confidence in
upholding the opinion that he is
eminently fitted for the position for
which he is recommended by Genl. D.
I may add that Genl. D. knows him
well.

1st Office

Public 1st January 23rd 1863

General

I am in accordance to orders in Circular
from your office dated Oct 25th 1862. I respectfully
submit the following report of my duties at this
post.

I am fabricating & repairing wagons. I am also
fabricating horse shoes, horse shoe nails, &c. &c. I have
retained and put in running order thirty
odd wagons in the last month besides having the
horses for the same & the different detachments of
cavalry constantly passing through the post all
of which are now at the place in the
winter to be sent to the rear they can have such
work done by the Government. I have also had to
repair the wagons and once the public animals are
the possession of the different Departments now in
the country collecting forage for the army of Mexico
etc. etc.

I have repaired and put in good serviceable condition
about 100 wagons. Fabricated 1900 pair of horse
shoes and 1000 horse shoe nails. Also done
work on the public store horses &c.
and on the public guard and prisoners.

My horse detachment has four horse teams in pairs
attached and are engaged continually in hauling
Government supplies as follows: Hauling forage and
substance to the post. Also leather & hides for the
post & Co. Supply food for the officers, forrest Guard
& prisoners at the post.

I have a list of goods sent from your
firm which I am about to supply my troops at
this post, as well as various other necessaries.
Under the direction of the Inspector of goods transportation
for this district I have made contracts for sugar &
flour from which I hope to be able to supply the
want of these articles.

I am doing all I can in the way of collecting
and storing goods, as it will necessarily require
a large amount this being the most central point along
the line.

The transportation of supplies to & from this post
and the collection of the same are subjects of great im-
portance and I am doing all I can to see that they
are properly attended to.

I am paying Officers and Soldiers on their
respective allowances and discharges to the
Officers and Soldiers of the Indian Corps and some
other troops who are on duty.

I am also making arrangements for public stores, but
as the same are not yet settled I cannot say more.

I have been thinking of you
 very much lately and wondering
 how you are getting on. I hope
 you are well and happy. I am
 feeling better now, but I am
 still a little weak. I am
 glad to hear from you and
 hope you are all the same.

The first of these is the
 fact that the population
 of the country is increasing
 rapidly. This is due to
 the fact that the country
 is fertile and the people

 second is the fact that

 third is the fact that
 the country is rich in
 timber. This is due to
 the fact that the country

Sir

Yours of 2^d inst is before me. I
shall make out my reports for Quarter ending
20th Sept & 31st Dec. as early as possible,
The moneys in my possession I will turn
over to Capt. G. R. Edmon. 2^d M at Dublin
Depot.

My excuses for failing to report properly
in both Quarters were duly forwarded from
Jacksons River & Cotton Hill. No official
marching as we marched & fighting
from day to day. Could find time to
make out a report, even if he had had
a place suitable, he could not carry our
vouchers with us for fear of losing them
and left them at Leesburg and our
business could not be occupied in that
way had any been allowed us;
Now that I am relieved I shall be able to
make out a full & satisfactory report.

Yours alluded to in letter of 2^d inst, as being
written to me on 1st of Oct. has not

 members of the Legislature

W. H. R.

To the Hon J A Seddon Secy of War

The undersigned
beg leave most respectfully to represent that in
all the counties in the Valley of Virginia north of
Shenandoah a large amount of property has been up-
propriated by our army for the public use, and that
the owners have not been compensated therefor.

Referring to instructions issued by the Comptroller
of the Treasury, it appears that these claims are to be
established before a Commissioner to be appointed by
the Secretary of War.

We the undersigned beg leave therefore most
respectfully to request that a Commissioner be appointed
for the region of country above designated and to
recommend for that position, John Dunn Esq of
Hendricks County.

Mr Dunn was for a long time a Commissioner in
Chancery in his County and besides is man of high
character, good judgment, and in every way fitted
for the position for which we recommend him.

To whom it may concern

The bearer of this is
Capt John Quinn of Berkeley County Va
formerly the Clerk of the Court of that County
In April 1861 he commenced at
Harper's Ferry as Company of the 6th after-
wards 4th Regt. V^a Ma and discharged
duty as such to the 2^d day of May 1861 when
he was commended. I left him at Harper's
Ferry discharging duty.

Since then he has been employed
in various duties and has always
proved himself capable and worthy

I most cheerfully recommend
him to the Quarter Masters or Com-
missary Department for a position
if any can be found vacant
knowing him to be trustworthy and
prompt. He is a good accountant

Sir -

I respectfully
commend to your favorable attention
the enclosed application of
Mr. Dunn of the County of Burke -
by a most excellent & patriotic
citizen who has done his duty
in the field & who, being now a

in another capacity, for which he
is peculiarly well qualified.

Mr. Dunn has always sustained

His character and

The undersigned begs leave respectfully to file his application for clerkship in some one of the Bureaus of the War Department.

He has been in the Military Service of the Confederate States since the commencement of the present War, and being physically unable to perform that Character of duty any longer, and besides seeing over the war requiring him to abandon the Law, he respectfully submits his application for a clerical or any other appointment in the gift of that Department.

He is a citizen of Berkeley County Va with a large family behind him dependant on his exertions for their support, hence his application for employment.

N^o 1 Q^u 8th Ala Reg^t
July 23^d 1864

General On a notice issued and received from the
War Department in yesterday, I saw that Capt. M.
H. Lumsden, H^{on} Q^u 8th Ala Reg^t of this Regiment has been
discharged from the roll of R. R. M. P. A. C. & in consequence
of the failure of the Senate to confirm this
appointment made on the 16th day of March 1864. Capt.
Lumsden enlisted in the 8th Ala. Reg^t in May 1861 and
has ever since been closely confined to the duties of a
Soldier and an Officer with this Regiment. He
was recommended by Lt. Col. Herbert Cundy, Reg^t
with the concurrence of Col. C. S. Boynton then and
now about is considered for the full rank of Major for
his duties as an Officer and Soldier, for his conspicuous
and gallantry in the battle of Gettysburg, and for his spending
time in the office of A. C. M. being an educated
accountant and a man of correct business habits,
and fully competent and trustworthy in every respect.
Col. Herbert was further induced to make this recom-
mendation in account of the physical disability of Capt.
Lumsden contracted in the Service, which rendered him
unfit for field Service and as recommended by the
Surgeons of this Brigade.
He was to the Service an efficient Soldier & M. M.

Col. J. A. M. A. S. M.
at St. Louis

St. Louis

On the recommendation of St. James has been discharging the duties of Commissary and has made a faithful and efficient officer and has given universal satisfaction. On yesterday an order was received from the War Dept. assigning a Capt. A. J. Taylor, R.A. to duty with the Regt. Under these circumstances, as the officers of the 8th Ala. Regt. are so much interested & urgently to petition the Department to reconsider this action in the premises and appoint St. James to the office for which he has been recommended, for the following reasons:

The Regt. being composed entirely of Alabamians it is very desirable to have all the officers of the Regt. fitted to the situation, as the chance of promotion has always been an additional incentive to efficiency and good conduct. They would then have the assurance of having an officer within an all would feel confidence in general and of personal character and would know that the interests of the Regt. would suffer no detriment in his hands.

As regards to the fitness of St. James, the officers recommended for the office, we cheerfully attach our appreciation for his merits and confidence in his honesty and capacity. Since the organization of the Regt. we have viewed him as a faithful soldier and we are officers of the line and his faithfulness and tried gallantry have won our admiration and entire confidence. He is also an educated and able tactician and in this respect is peculiarly fit for the office, while his known and unimpeachable honesty will insure in him a faithful officer in the discharge of the duties of the Commissary.

Hoping that these recommendations may meet with the favorable and early consideration of the War Dept. we have the honor to be Sir,

Very Respectfully,
 Chas. B. Smith

John O'Callaghan

President Davis

The undersigned, comprising
the late Court of Enquiry organized
for the trial of Col John Demerant
Kates on the charge of Drunkenness
upon duty, would respectfully
petition your Excellency to reconsider
the sentence of dismissal
announced upon the said Col
Demerant in recent orders upon
the following grounds, to wit:

1. Upon an examination of the
testimony taken before the
court and of its findings as
set forth at large in the proceedings,
it will be seen that
while compelled to find the
accused guilty of the charge,
the court did not find him
guilty of Drunkenness to the
extent set forth in the specifications
to wit to an extent utterly
disqualifying him for the discharge
of his duty & leading
to disgraceful exposure of himself
before his command.

2. Your Petitioners feel convinced that an extension of clemency in this case will not militate against discipline in this Army and that Col Sumner if restored to the service will not again subject himself to a like charge.

3. Your Petitioners beg leave respectfully to renew the statement made in the recommendation forwarded by them as a hint that the accused be as lightly dealt with as might be deemed consistent with the good of the service. Col Sumner's high personal character, his general efficiency as an officer, and his services in Mexico, are the points and in this war a special strength in his behalf.

It is therefore respectfully hoped that Your Excellency may not deem it inconsistent with the responsibilities of your position to relieve Col Sumner from the crushing sentence of dismissal and to

improve such other and lighter
quality as may be deemed
proper.

Dear Sir

Having learned that
the friends of Colonel John Duvossant are
making an effort to obtain for him, restoration
to his rank in the Provisional Army of the Border-
-state States I very cordially unite with them
in soliciting that this may be done.

I have known Colonel Duvossant
for many years and I had a familiar inter-
-course with him on Sullivan's Island and in
Charleston during the early part of the war.

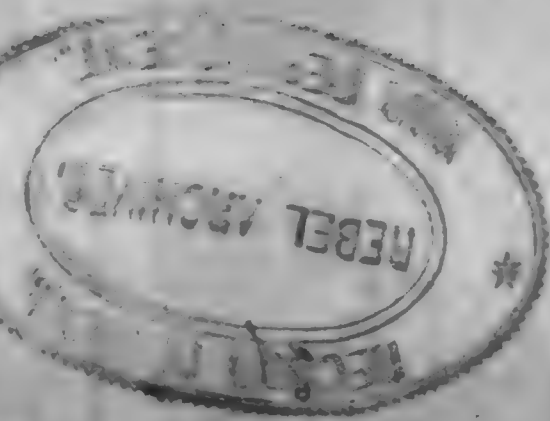

From this acquaintance I unhesitatingly
express my belief and opinion that he is worthy
of having his commission restored to him.

His good service with the Palmetto
Regiment in Mexico won for him a commission in
the Army of the U. States, in which he was
looked upon by all who knew him, as an excellent
officer and an estimable gentleman
I can not but regard the

circumstances under which he lost his commission in the Provisional Army as an unfortunate accident rather a consequence of bad habits, since I know that there was nothing in his previous course of life which would have led to that unhappy result.

If it should please His Excellency the President to re-appoint Colonel Fremont or to give him an appointment in the Regular Army, I believe that his future conduct will prove that neither his efficiency nor his title to trust and confidence has been impaired by what has happened.

S., to lead the advance, with his Battalion, against the enemy, known to be at Legareville, did become so drunk as to be entirely unable to execute said order. This in front of the troops of the Brigade, on John's Island, S. C., on or about the 9th June 1862.

Specification 2.—In this, that he the said Colonel JOHN DUNOVANT, having received an order from his Commanding General, Brig. Genl. N. G. Evans, in words and figures following, viz:

Dear Sir,
In view of the kind notice of my letter
in your issue of the 19th inst. I am enabled to call
your attention to an application in favor
of Col. John Buchanan. I am aware
promisingly by official notice, that the
certainly being, as my name is, by
whole life has been devoted to putting
peace in the world.

Col. Buchanan has been guilty of
I know, to a certain extent, but he has
affirmed me through his brother
Genl. Buchanan, that if he is per-
sued now, he will sign a name.
If I do not ^{in brief} believe, he would

act up to the pledge given by his
brother, I would not in a word
in his behalf. Since his position is
as a soldier to peace and forgiveness
and

He has been a gallant soldier

in person the fatherless man,
who was taken by his fortune before
his death. He gave up a princely estate
to satisfy his creditors. His brother
the General has been an active, as
said at home.

It is thought that there will
be money found for the young man.
The Count, who has tried him
has recommended him to a favorable
consideration. Very Respectfully

Sancti Spiritus 10th Dec 1862

Dear Sir

Some time since Col John Demoyant
commanding on Sullivan's Island near Charleston
South Carolina was dismissed from the service on
the charge of drunkenness. I wrote for the purpose of
interceding in his behalf. I have known him
intimately for many years and among gallant
and patriotic officers could not be found. He
was for some years a Captain in the United
States Service and was one of the very first to
surrender. He is now perfectly sober and of course
I feel confident would be unsatisfactory. I
earnestly and warmly recommend him to
your favourable consideration. I am sure
he had an opportunity he would greatly
distinguish himself.

With great respect

Yours James A. Seddon

recommendations of others more distinguish-

Hon. S. A. Seddon

On the 31st of July last I was relieved from duty in the Army of the Confederate States by General Order from Gen. Geo. Hill Quarters as Regimental Commissary of the 14th Ala. Regt. I submitted to it then as the impropriety & injustice of the proceeding was not so apparent then as now nor was the injustice apparent to those who relieved me. The injustice of which I complain consist in this that I was Capt. of a company in the above named Regt. Upon there being a vacancy on the Staff that of Commissary I was recommended for the position and at once assigned to duty in the same & trusted as Commissary & the supposed vacancy in the company filled but I till I had never received any Commission to my new appointment or notification that such appointment had been made at your Department. Things went on in this manner for months I continuing to perform all duties without any Commission until the time came to be relieved when I visited Richmond & found that the appointment had been

If I was not a personal
stranger to the Members of our deli-
gation I should congratulate them
upon your application for service as
a Captain of Infantry. Your former
comradery & the men you have
so successfully commanded ought
to secure your appointment. You
are no new recruit but have
been in the field before. Such Officers
are needed & you must succeed in

My Dear Sir,

My friend Capt John
Dunwoody the bearer of this visit Mont-

an appointment in the army. I have
known Capt D for several years and
take pleasure in stating that he is
universally esteemed for his superior
qualities of head and heart. He
resides in an adjoining County to this -
has always been a consistent Southern
-right Democrat and in our recent
contest he was an ardent secession-
-ist. His devotion to the cause of
the South is unquestionable and his
intelligence military experience and
undoubted courage would make
him an excellent officer. He was

My Dear Friend,

It is with much
pleasure that I recommend to you the
bearer Capt. John Danwoody, of Cobb
County, Georgia. It will be too tedious
for me to detail to you, and it is not
required, the particulars of Capt. Danwoody's
life. Suffice it to say that his private
character is unexceptionable. He has
some of the love of the Mexican War
he will make his own statements
which I confidently believe will
be true without exaggeration or
polish and I feel assured that
Capt. Danwoody will prove to be
valorous, shrewd and competent
for any post that he may ask for
in your gift. Knowing that he
will not assume any fictitious character
If you require his services you
will undoubtedly make a good choice
in him. And by so doing you will

I herewith

Enclose Requisitions for Knapsacks, Haversacks and Canteens for Conscripts at this Camp, who are suffering without them, in almost unendurable, as they are made for different Comm. and. You doubtless know the scarcity of water on nearly all the roads upon which the men have to be sent and their suffering in such cases when they are sent without them is intense. It is of the highest importance that these articles be sent immediately as a large number of men start for Richmond in a few days - and are without any of them. It is a hard matter after the men have been assigned to regiments to procure such articles. I therefore hope you will give this your immediate attention sending them to Capt. J. M. Moore G. M.

Brandon Miss,
Decr 26th 1863

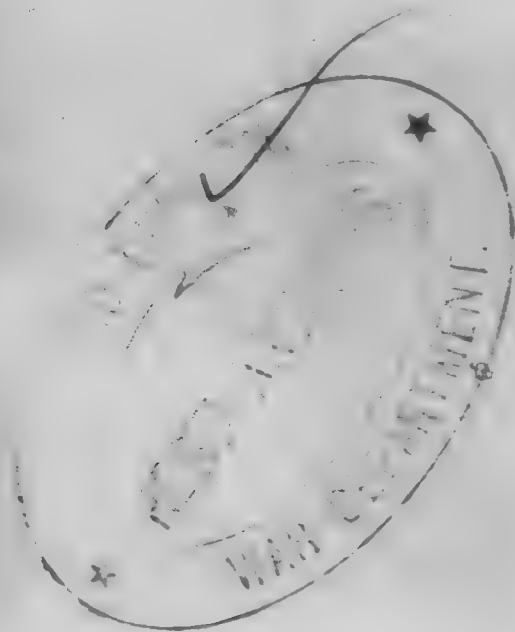

I certify that I received at Virgine La. Decr
17th 1863 of Wm Oliver Capt & a. g. m. One, one eye,
Grey Mare, about fifteen years old, for the purpose of
transporting myself, and papers of the Arto Bureau
out of the Miss River, to be turned over to some
officer in the State of Miss. That on approaching
the River, I found the Yankee Revenue Brigade
patrolled for some distance up and down the River,
that it was impossible to obtain a boat suitable
to swim with my horse across the River without danger
of capture; so that I found it advisable to
abandon the above Grey Mare, & my own saddle
& bridle, & cross the River in a log raft.
That at the point on the River at which I crossed I could
not find any one to whom I could entrust the keeping
of said horse, & therefore have accounted for the same
loss in my property return ending 31st Decr. 1863
as above.

A & I G O,

Allow me for my own guidance
to propound to you certain questions, desiring an immediate
reply. Can a Col organize a regiment consisting of more
than ten companies? There is one at my camp which has
twelve. Can I take the last two companies and assign them
to fill vacancies in regiments which present requisitions
on me for companies? Can a regiment of Parker's Ran-
gers organize with a mixed command of cavalry and infantry?
If not, shall I withdraw the infantry companies? Can
individuals who had authority to organize Batt^l allm^o or
Regiments hold over that authority after May 17. and
change the character of that authority, increasing their com-
mands, all without legal elections up to this date? Can
individuals with authority to raise Batt^l or Reg^t before
May 17. disintegrate their companies after that date for
the purpose of organizing with them or have new
companies so as to fill up their commands and then be
able to hold elections? Can anyone with authority to
raise Reg^t Batt^l or Co continue after May 17th to raise
men? I rule in the negative on all these points, con-
sidering that a different ruling is contrary to my instruc-
tions and the act of April 10 1862. I am referred by
some to your letter to the Gov of North Carolina, which

My command comprises five Battalions & has usually two thousand men present for duty. The Battn. Organization is not considered entitled to the appointment of Chaplain & consequently but one of these Battns. has a Chaplain. (assigned to it by the Chf. of Art. of the Army.) & consequently four fifths of my command are & have always been so far as I know entirely destitute of the services of a Chaplain. If Mr Dunwoody can be appointed I wish to place all of these destitute battalions under his care. He is a Presbyterian Minister of high standing, of many years service in the Ministry, & I believe peculiarly adapted to the duties of Chaplain.

I am Sir very respectfully
Your obedient Servt
